Rick,

Just talked to Jack Hobson. He said he had a letter drafted.

I assume you have also heard from Curyung and Levelock.

Jeff,

Have heard from 1. Would you please have Mr. Hobson submit a short biography describing his background, experience, education, employment and any other information that provides the basis for his knowledge of the fish resources in Bristol Bay and the ecological factors that support the fishery. Also he will need to confirm that he has been designated by the Tribal government for this effort.

If Jack would like to talk about the purpose of the intergovernmental technical meetings or my expectations about the role the meetings will play, please contact me at 206-553-8574.

Rick,

Have you heard from the tribes? Some of us have been occupied with either a trip to DC or an EJ grant.

Jack Hobson, Pres. Nondalton TC, told me he wants to serve.

I will send a reminder to those I work with today.
